30th April 2020

Dear Parent / Carer,

I hope you and your families remain safe and well as we continue in lockdown. The girls are working hard and completing the work set by the staff in what for many are quite difficult circumstances. I am sure they are all wishing this was all over and they could return to school. The weather up until now has been kind to us so I hope your daughters have been able to get outside for some safe, physical exercise each day. It is important that they try to get regular fresh air and not remain cooped up indoors all the time.

Your daughter's Form Tutor is in regular contact with your daughter and is the first point of contact for her and yourselves if there are any problems. If however you would prefer to get in touch with a member of the SLT for help or support please contact the admin team by emailing admin@stursulas.com your message will be passed on to us. We are all in daily contact so we will get back to you as soon as possible.

As I said in my previous email we are hearing much on the news reports about a return to school. There is nothing definite yet and we are all hoping to get back as soon as it is safe to do so.

I want to remember all families affected by Covid-19 and to thank the Key workers who are working so hard to look after us all in this time of crisis. Our prayers are with them. We have been asked if it would be possible for students to write notes of thanks/happiness to the hard working NHS staff. These letters will be placed in hampers as part of the support a particular charity is providing. We think the girls would be brilliant at this and the RE department will send details to all students, next week, of how to become involved. Please encourage your daughter to take part.

Please continue to follow the government guidelines to stay safe and save lives. Please contact us for any help or support you need. Remember that school can provide care for the children of keyworkers. We just need 24 hours' notice to put this in place.

My best wishes as always.

Catrina Hamilton
