

This summer, like never before, we are called to be signs of hope for our world.

Although we are coming out of Lockdown, many things are different and none of us will have exactly the summer which we expected.

CAFOD is asking us to recreate some of the events we will miss and, at the same time, have fun transforming them into a sign of hope by raising money for [CAFOD's Coronavirus Appeal](#).

When crises happen, it is the poorest and most vulnerable who are hit the hardest.

A message from  
The United  
Nations

Can you imagine trying to follow coronavirus hand-washing advice if you had no running water at home?

The United Nations estimates that two out of five people in the world do not have a basic hand-washing facility with soap and water

#### Bake off

One of our most popular fundraising event ideas! And you can do it online! Hold a summer cake making competition and get your friends, family and colleagues to bake too, share the results of your labours on social media, and make sure you tag CAFOD. People can vote for their favourites by donating or give money to take part!

# Pope Francis

**“All it takes is one good person  
to restore hope.”**

So, however you celebrate the summer, make it hopeful.

Have fun, keep safe, and give what you can to help CAFOD provide care and sanitation to the vulnerable across the world who need it the most by making a donation to **CAFOD Summer of Hope** at <https://cafod.org.uk/Give/Donate-to-Emergencies/Coronavirus-appeal>.

THANK YOU!

The image features the words 'THANK YOU!' in a vibrant, hand-painted style. Each letter is a different color: 'T' is pink, 'H' is green, 'A' is blue, 'N' is red, 'K' is yellow, 'Y' is red, 'O' is pink, and 'U' is green. The exclamation point is blue. The letters have a textured, brush-stroke appearance. The background is white with scattered, multi-colored dots in shades of pink, green, blue, and yellow, resembling confetti or paint splatters.
