Dear Parent / Carer

Further to the email sent to you last night I am writing to clarify that we are moving to remote online learning for all students except daughters of critical key workers and identified vulnerable students who opt to attend school from **Monday 4th** January.

All work will be set on Google Classrooms and your daughter should use her school google log in to access the work and submit once it is completed. The work set will follow your daughter's normal school timetable.

As has happened previously, we will monitor your daughter's work and contact you if it is not completed. It is therefore important to contact us via [admin@stursulas.com](mailto:admin@stursulas.com) if there are any issues with remote access.

Please note this arrangement will be in place for the next two weeks except for students in Year 11 who will return to school for face to face teaching from **Monday 11th** January.

We expect all students to return on **Monday 18th** for face to face teaching.

Please be aware that this is an ever-changing situation, but rest assured I will keep you informed of any changes or updates if and when I receive them. In the meantime, I would like to take this opportunity to wish you all a Happy New Year and hope that you remain safe and well.

Please contact school if you have any queries or concerns and also to let us know of anything which has arisen over the Christmas break that we need to be aware of.

Yours faithfully

**Ms C. Hamilton**

**Head Teacher**

We hope to live stream Mass from Our Ladye Star of the Sea Church on Wednesday 6th January at 9.30 to celebrate the Feast of the Epiphany. Further details will follow regarding this on Monday.
