

Dear Year 11,

I am writing to try to reassure you that all will be well. I am sure you are feeling shocked and uncertain, and perhaps also angry at what has happened.

I have waited until now to contact you in the hope that we may have had some direction from the government as to their plans for which exams you will take in the summer and how your grades will be decided. We have not received anything yet, but let me assure you that as soon as we know anything we will contact you.

As a school, we will do everything we can to ensure you get the grades you deserve. In the meantime, it is important that you complete all work to the best of your ability and to a high standard, as we don't know what we will need to use for your grades.

Please stick to the school day routines and complete the work as it is set. Don't let it build up until it becomes too much.

Contact us via admin@stursulas.com if you have any issues with Remote Access or have problems in completing your work.

Take time to exercise every day, eat as healthily as you can and get a good amount of sleep. All of this will help you to remain healthy, well and able to work to the best of your ability.

Stay safe and I look forward to seeing you all back at school when the lockdown is lifted.

My best wishes,

Ms. C Hamilton
Headteacher
