

This term, a group of Year 8 students have been working with the Local Authority in a series of workshops supporting inclusion in our community. This was celebrated with a selection of artwork created by the students. Congratulations to all the students, especially our three winners who will all have their artwork shared on the walls of the Woolwich centre. The Local Authority were overwhelmed with how talented our students are and we couldn't be more proud! Congratulations Year 8!

Free Breakfast Club in Lewisham

We have been made aware that a youth charity will be running a free 10 week breakfast club in Lewisham starting in September. The Breakfast Club will lead students through a series of Saturday sessions, educating them on institutional, systemic and historic racism in Britain, including how to recognise and challenge it. At the same time providing vital self-confidence skills, in order to create the leaders we need in the next generation.

Funded by Black Lives Matter UK to run the event and to pay for breakfast and running costs, looking for schools that want to join on the programme.

The clubs are free to attend for all 10-13 year olds in your network.

You can check out more about our clubs and what we offer here
