

‘All of you together are the body of Christ’

1 Corinthians

One of the primary responsibilities of our school is to ensure that our CPSHE curriculum prepares your child for the world, equipt with the necessary skills and talents to **‘Serve’** the world around them. It is vital that throughout the programme your child is taught about outreach, how to support themselves and others in various situations and ultimately how to treat everyone with respect and dignity.

Relationships and Sex Education

Our CPSHE programme has Christ at the centre of the content. As a school, we have ensured that we are complaint with all statutory expectations including the emphasis on Relationships and Sex Education. This year we the Relationships and Sex Education is embedded within our PSHE content allowing the themes to be explored on a holistic and spiritual level. As parents/carers you are your daughter’s primary educators and you currently have the right to withdraw your daughter from all or part of the Relationships and Sex Education except for those parts included in the statutory National Curriculum (i.e. in Science lessons). Should this be the case, please contact the Headteacher to discuss any concerns you may have.
