

Homework timetable 2022-23

Overview:

- The school homework timetable must be viewed in conjunction with the school timetable
- The codes on the homework timetable match the codes on the school timetable
- The homework timetables for each year group can be found here.
- They have been shared with students on Google Classroom
- They have also been put on the school website

Key Stage 3

- Four homeworks **per fortnight** for English, Maths and Science
- Two homeworks **per fortnight** for other subjects
- There is no PE homework at KS3

Please note: Depending on the spread across the two week timetable, some classes may not have an even split of homework for a subject across the two weeks. For example, they will have four science homeworks across the two weeks, but three might be timetabled to be set in week 1 and one might be timetabled to be set in week 2.

Key Stage 4

- All subjects have four homework sets per fortnight

Please note: Depending on the spread across the two week timetable, some classes may not have an even split of homework for a subject across the two weeks. For example, they will have four science homeworks across the two weeks, but three might be timetabled to be set in week 1 and one might be timetabled to be set in week 2.
