GCSE Results Day – 22nd August 2024

We welcomed our Year 11 students into school to collect their GCSE results. We are proud of each student, and we were delighted to be able to share the morning with our young people to celebrate their achievements.

Several students achieved multiple 7-9 grades. For example, Maria Little achieved 3 grade 9s, 3 grade 8s, and 5 grade 7s. Another student to mention is Alice Henderson who achieved 2 grade 9s, 5 grade 8s and 3 grade 7s. Louis Chardi and Pia Douglas made exceptional progress, as they achieve 2 grades better than students with similar starting points in other schools. We are also very proud to see other individual achievements today.

Their time at school has been unique. As a cohort they have navigated some challenging times in their educational journey, demonstrating their resilience. We are also incredibly proud of how our students have grown and developed during their time at St Ursula's School. We wish them all the very best in their future pathway.
